ATTENTION ALL FACULTY AND ADMINISTRATORS!

1. Jim Doerr has been appointed by the President as the administrator responsible for educational leave for the 1984/85 year.
2. All faculty are reminded of Everett Robinson's memorandum of September 2, 1983, requesting applications for educational leave by December 1, 1984.

In view of the events and pressures of this semester, the Faculty Association and the College have agreed to an extension of the application deadline to December 15, 1983. If you are planning to apply for educational leave for the coming year, please ensure that your application and supporting documents are received by Jim Doerr by December 15.

3. Administrators and faculty groups are asked to review membership for the Educational Leave Committee (see attached list).

As there have been changes in the departmental structure of the College in the past year, directors and chairmen are asked to confirm present membership, or submit new names to Everett Robinson by December 15.

4. Following the work of the Educational Leave Committee last year, it was agreed that it would be of assistance to the Committee to have a clearer idea of the concept of "College benefit" for the purpose of evaluating proposals for educational leave. The President has provided extracted relevant sections from the draft Five-Year Plan and these have been received by the Chairman of the Committee. They are on hand for any applicant who may wish to review them in preparing or submitting applications and may be obtained by contacting Everett Robinson or Jim Doerr.

M.R. CENTRE REGISTRATION STATISTICS

FULL-TIME STUDENTS - MAPLE RIDGE CENTRE

A. University Transfer Program:

11 students are taking 5 courses

13 students are taking 4 courses

24 full-time students

In addition, there are 204 part-time registrations (51 FTEs).

The number of full-time students (those taking 4 courses or more) has doubled in the fall of 1983.

B. Adult Basic Education:

32 full-time students

13 full-time equivalent students

The number of full-time students has increased from 14 in the fall of 1982 to 32 this fall, as a result of an additional section being offered.

STRESS/TIME MANAGEMENT WORKSHOPS

Are you stressed out and having trouble juggling your time? Come to the Stress and Time Management Workshops on January 19 and 26, and February 2 from 1000 to 1200 hours.

Enrollment is limited to 18. Admission is free. Please contact Wendy or Connie in Counselling, 520-5486.

NOTE: It is necessary to attend all three sessions.

INTRAMURALS AND ATHLETICS

Faculty or staff who are interested in organizing a women's soccer team to play in a winter league, please phone Ron Wolfson at 524-4578 (hm.) or 432-3630 (wk.).

Thanks and congratulations to Chris Bowcott for his excellent coaching of our Douglas College soccer team. Two members, Don Lobo and Paul Dickie, made the Totem Conference All-Star team. Malaspina eventually won the Nationals.

A Douglas College ALL-TEAM name is still being sought. Suggestions have been many, but deciding on a suitable name has proven to be difficult. Examples of names which are being considered are:

Royals	Dorians
Sappers	Royal Engineers
Pioneers	Aristocrats

I would appreciate your comments or further suggestions. Contact me by inter-campus mail or by phone, local 5338.

HEART SAVER COURSE

ATTENTION ALL COLLEGE PERSONNEL

The College would like to determine if there is any interest in offering a Heart Saver course to its employees.

The course would be broken into two sections. The lecture or general information section would be available on February 7, 8, 9 and 10. The second section on skill development would be held on Saturday, February 11. Both sections must be completed to qualify for the Emergency Health Service Certificate, which is valid for one year.

The course would be on the employees own time, with the College paying for the basic program.

ARCHIVES

Employees that are interested in the course are requested to submit a written reply to the Personnel Department by December 23, 1983.

SPECIAL GUEST PARKING

Policy

1. It is desirable to provide a limited amount of parking for college guests.
2. This parking should be at no cost to the guest and therefore of low cost to the college.
3. Eight parking slots are available for this purpose at the Royal Avenue Ceremonial Entrance. This driveway entrance is clearly marked "PERMITS ONLY, TOWAWAY ZONE."

Procedure

1. Temporary permits must be obtained from the Physical Plant Department for any vehicles parked in this area.
2. A limited amount of permanent parking, by permit, may be made available to handicapped persons whose vehicles will not access the three level indoor parkade.
3. The right to issue temporary parking invitations is restricted to the Senior Administration' College President, Deans, and Bursar.
4. Permission in all cases is through the Department of Physical Plant via the Director of that department or his designate.
5. The host will issue his or her business card to their guest with the date and approximate period of time clearly indicated on the face of the card.
6. The guest must place this card on the dashboard of the vehicle so that the name, date and time are visible.
7. To prevent over-booking, the host must notify the Physical Plant Department well in advance, who in turn will notify the

security desk.

8. In the unlikely situation that all guest spots have been occupied for a particular time period, permission to park will be denied.
9. All vehicles without permits will be towed away.

FELLOWSHIP COMPETITION

The National Center for Research in Vocational Education, The Ohio State University, will be awarding additional fellowships in its Advanced Study Center for each of the next two years.

Applicants should be mature scholars, preferably with earned doctorate, leadership experience, and interested in pursuing independent research projects of their own selection. The only condition governing their research is that it focus on excellence in vocational education.

Fellows receive a stipend equal to half their current annual salary up to a maximum of \$22,500, plus limited travel and assistance with relocation expenses, subject to availability of funds.

The financial support provided by the U.S. Department of Education is restricted to U.S. nationals. Nonetheless, the competition and the program is open to Canadians; all accepted candidates will be provided with an office and essential support throughout the program.

Applications for the 1984-85 academic year must be submitted by March 1, 1984, and for the 1985-86 academic year by March 1, 1985. Awards for each year are announced on or before April 15.

Individuals interested in applying for a fellowship in Advanced Study Center should write for application forms at the National Center for Research in Vocational Education, 1960 Kenny Road, Columbus, Ohio, U.S.A., 43210. The toll free telephone number is 800-848-4815.

ACCC INVITATION

College/institute members are invited to consider nominating colleagues for attendance at the prestigious National Defence College in Kingston, Ontario.

The Department of National Defence has once more asked the ACCC to sponsor candidates for one vacancy on Course XXXVIII starting on September 6, 1984 and ending June 29, 1985.

The candidates are given a top-view of the organizations and functions of our federal role in our alliances. Candidates travel across Canada and visit several continents during this year of education and professional development.

Selections will be made in February 1984, therefore you are invited to submit your nominations by January 6, 1984. A late submission should be sent by courier.

Please submit nominations to:
